

### Shipping instructions

For cheapest shipping rates use pirateship: [www.pirateship.com](http://www.pirateship.com)  
pirateship.com compares prices from Fedex, UPS and USPS and chooses the best rates for you!  
**Sign up is for free** and it gives you rates up to 90% lower than regular USPS, UPS, Fedex.  
To make sure you get these rates, follow these steps. Size and weight matter!  
Use moving box xtrasmall **15x12x10** from **HomeDepot, Lowes** or **Walmart** for around 2 Dollars.

Download and fill out this kite/wing repair ticket:

- Dry and clean your kite/wing from sand and debris!
- Fold your kite/wing as small as possible and pack it in the box.
- If possible remove hard handles and booms from your wing.
- No bag needed, only ship what has to be repaired! Do not remove the bladders.
- Put the filled-out kite repair ticket in the box with the kite/wing. Keep a copy.
- Send the kite/wing (with insurance?) to:

kitegearfix  
Attn: Chris Wesselburg  
14586 Beechdale Ct.  
Delivery Box Code 1321  
Largo, Florida 33774

Your kite/wing will be received in a smart Delivery Box with camera, out of sight from the street and safe. We do have surveillance cameras on the premises just in case!  
Please let me know if you wish to have insurance for the shipment back.
